

## Academic Information

### I. Programs

CamTech University offers undergraduate programs including the 4-year Bachelor's Degree and 2-year Diploma in Professional Software Engineering. See the detailed programs and offered majors: <https://camtech.edu.kh/faculties/>.

#### A. Bachelor's Degree Programs

##### 1) Currently offered majors

No.	Specialization/ Majors
1	Robotics and Automation Engineering
2	Data Science and Artificial Intelligence Engineering
3	Cyber Security
4	Architecture
5	Interior Design
6	Educational Technology

##### 2) Additional majors to be offered from Academic year: 2022-2023

No.	Majors
1	Media and Communication Technology
2	Risk Management and Business Intelligence
3	Innovation and Entrepreneurship
4	Software Engineering

##### 2) Diploma in Professional Software Engineering

No.	Specialization/ Majors
1	Artificial Intelligence Technology (AI Tech)
2	Augmented Reality/Virtual Reality (AR/ VR Application)
3	Game Application (Game App)
4	Mobile Application (Mobile App)
5	Web development
6	Cyber Security

### II. Academic Terms

There are three terms per academic year. Candidates can apply to enroll in any academic term. Admission dates and entrance exams are subject to change if necessary.

## Academic Year: 2022-2023

Academic Terms	Term Periods		Admission Periods	
	Starts	Ends	Opens	Closes
Term I	30 Jan 2023	19 May 2023	01 Nov 2022	06 Jan 2023
Term II	29 May 2023	08 Sep 2023	13 Mar 2023	13 May 2023
Term III	18 Sep 2023	05 Jan 2023	03 Jul 2023	09 Sep 2023

### III. Study Session

- Morning: 8:30 am – 11:30 am (Mon – Fri)
- Afternoon: 1:30 pm – 4:30 pm (Mon – Fri)

### IV. Tuition Fees

Tuition fees vary depending on the chosen major of study. Students can pay tuition per term (three terms per year) or once a year. If the payment is made per term, the fee varies. Below is a list of full tuition fees (no scholarships or discounts yet) for each major in the respective faculty:

#### A) Bachelor's Degree (4 years)

No.	Faculty (Fees depend on the chosen major)	Tuition Fees/ Term			Tuition Fee/ year	4-year Tuition Fee
		Term I	Term II	Term III		
1	Engineering	\$1,350	\$1,350	\$1,350	\$4,000	\$16,000
2	Sustainable Built Environment	\$1,350	\$1,350	\$1,350	\$4,000	\$16,000
3	Applied Science	\$1,350	\$1,350	\$1,350	\$4,000	\$16,000
4	Arts, Humanities and Social Sciences	\$1,183	\$1,183	\$1,183	\$3,500	\$14,000
5	Business and Management	\$1,183	\$1,183	\$1,183	\$3,500	\$14,000

#### B) Diploma in Professional Software Engineering (2 years)

No.	Faculty (Fee depends on the chose major)	Tuition Fees/ Term			Tuition Fee/ year	2-year Tuition Fee
		Term I	Term II	Term III		
1	Artificial Intelligence Technology	\$683	\$683	\$683	\$2,000	\$4,000
2	Augmented Reality/ Virtual Reality Application (AR/ VR App)	\$683	\$683	\$683	\$2,000	\$4,000
3	Game Application (Game App))	\$683	\$683	\$683	\$2,000	\$4,000
4	Mobile Application (Mobile App)	\$683	\$683	\$683	\$2,000	\$4,000
5	Web development	\$683	\$683	\$683	\$2,000	\$4,000
6	Cyber Security	\$683	\$683	\$683	\$2,000	\$4,000

#### C) Other Fees

- Students pay an administration fee of \$ 200 per year (subject to change). For this fee, students will receive free year-round access to library services, lab services, start-up rooms, conferences, and a Student ID Card.
- Students are required to have a personal computer for self-study and other study activities.
- Students are responsible for other personal expenses such as study materials and other expenses.

### V. Scholarships

In the academic year 2022-2023, CamTech University has offered 125 scholarships for the 4-year Bachelor's Degree and 2-year Diploma in Professional Software Engineering as follows:

**A) Bachelor's Degree**

<b>1. Full STEM Genius Scholarship (30 slots)</b>			
<b>No.</b>	<b>Types of Scholarship</b>	<b>Number</b>	<b>Specialization/ Majors</b>
1	Women in STEM Scholarship	10	1. Robotics and Automation Engineering 2. Data Science and Artificial Intelligence Engineering 3. Cyber Security 4. Software Engineering 5. Architecture 6. Interior Design 7. Educational Technology 8. Media and Communication Technology 9. Risk Management and Business Intelligence 10. Innovation and Entrepreneurship
2	Regional Equity Scholarship	10	
3	STEM Genius Scholarship	10	
<b>2. Special Scholarships (70 slots)</b>			
<b>No.</b>	<b>Types of Scholarship</b>	<b>Number</b>	<b>Specialization/ Majors</b>
1	75% Scholarship	55	1. Robotics and Automation Engineering 2. Data Science and Artificial Intelligence Engineering 3. Cyber Security 4. Software Engineering 5. Architecture 6. Interior Design 7. Educational Technology 8. Media and Communication Technology 9. Risk Management and Business Intelligence 10. Innovation and Entrepreneurship
2	50% Scholarship	15	

**The three categories of Full Scholarships:**

1) *Women in STEM Scholarship (10 slots)*

This scholarship aims to empower and inspire women who are talented in science, particularly the Engineering majors, to have an opportunity to pursue a university degree at CamTech. Only women applicants are accepted in the category.

2) *Regional Equity Scholarship (10 slots)*

This scholarship aims to provide an equal opportunity for talented students from regional and remote areas throughout the Kingdom of Cambodia to have an opportunity to pursue a university degree.

3) *STEM Genius Scholarship (10 slots)*

This scholarship aims to provide an equal opportunity for all students who are talented in STEM majors and fully committed to studying for a university degree.

**B) Diploma in Professional Software Engineering (2 years)**

No.	STEM Genius Scholarship	Number	Specialization/ Majors
1	Full Scholarship (100%)	10	1. Artificial Intelligence Technology (AI Tech) 2. Augmented Reality/ Virtual Reality (AR/ VR Application) 3. Game Application (Game App) 4. Mobile Application (Mobile App) 5. Web development 6. Cyber Security
2	Partial Scholarship (75%)	10	
3	Partial Scholarship (50%)	5	

**VI. Admission Criteria**

In order to be admitted into the programs at CamTech, applicants must submit the following required documents:

**A) Bachelor's Degree**

- High school diploma or equivalent (certified by the competent authority)
- Applicants who enroll in the Faculty of Engineering, Faculty of Applied Science, and Faculty of Sustainable Built Environment require a minimum of grade C in Mathematics
- English Proficiency Certificate (if any)
- One of the documents: birth certificate, ID card, or a valid passport
- Current photo of 4 x 6 (white background)
- 3-minute video in English (see instruction form)

**B) Diploma in Professional Software Engineering**

- High school diploma (failed or stuck) or equivalent certificate (certified by the competent authority)
- English Proficiency Certificate (if any)
- One of the documents: birth certificate, ID card or valid passport
- Current photo of 4 x 6 (white background)
- 3-minute video in English (instructions in word form)

**\*\*\*Note**

- Current grade-12 students can apply for the entrance/ scholarship exam before the national grade-12 exam. However, admission into the program is only accepted if the candidate has passed the national grade-12 exam for a bachelor's degree and has completed grade 12 (no matter passed or failed a national grade-12 exam) for a Diploma in Professional Software Engineering.
- Candidates can submit the high school diploma or equivalent certificate to the Office of Academic Affairs later.

**VII. How to Apply**

To apply, candidates must click this link: <https://camtech.edu.kh/apply>, then fill in the required information and upload:

- All required documents (in PDF)
- A current passport size photo (size 4x6) with white background (PNG/ JPG)
- A 3-minute video in English (instructions in Word form)

**VIII. Scholarship Eligibility**

- A Cambodian citizen
- A high school graduate or early year university student
- Not older than 25 years old on the date of application
- Passing CamTech Entrance Exam (English and Mathematics) and an Interview
- Committing to full-time academic and internship program

**\*\*\*The English placement test can be waived if the applicant:**

- holds a valid TOEFL iBT score of 60, IELTS score of 5.5 on the overall band, or if he/she is an English native speaker.
- has attended the previous school which is well recognized and all subjects have been taught using English as a medium of instruction. or
- has a certificate of English proficiency from a well-known recognized school where CamTech can evaluate and accept it.

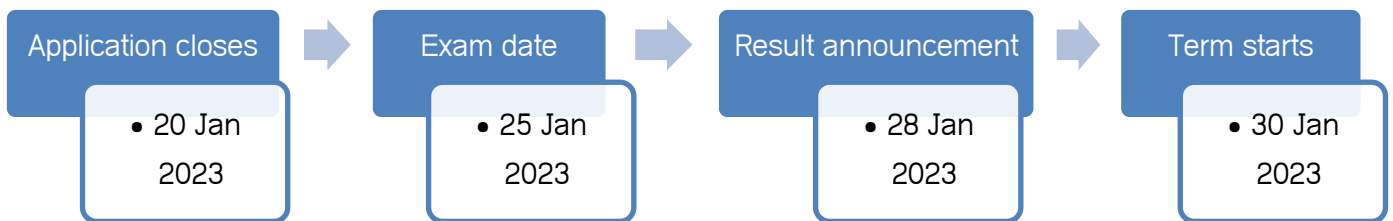

## IX. Entrance Exam

### A) Writing

- English (60 minutes)
- Mathematics (90 minutes). This requires only for the applicants who choose any major of study in the Faculty of Engineering, Faculty of Applied Science, and Faculty of Sustainable Built Environment.

### B) Interview (15 minutes)

## X. Main Dates
