

Academic Information

I. Programs

CamTech University offers a wide range of majors of study for the undergraduate and graduate programs. See the detailed programs: <https://camtech.edu.kh>.

A. Undergraduate programs

No.	Specialization/ Majors	Level	Duration of Study
1	Robotics and Automation Engineering	Bachelor's Degree	4 years
2	Data Science and Artificial Intelligence Engineering		
3	Cyber Security		
4	Software Engineering		
5	Architecture		
6	Interior Design		
7	Educational Technology		
8	Media and Communication Technology		
9	Risk Management and Business Intelligence		
10	Innovation and Entrepreneurship		

B. Graduate programs

No.	Specialization/ Majors	Level	Duration of Study
1	Environmental Technology	Master's and Doctoral Degree	2 years (Master) 3 years (Doctor)
2	Technology Management		
3	Technology Governance		
4	Data Science		
5	Artificial Intelligence		
6	Cyber Security		
7	Industrial Technology		
8	Agriculture Technology		
9	Education Technology		
10	Financial Technology		
11	Science and Technology Studies		

II. Academic Terms

There are three terms per academic year. Candidates can apply to enroll in any academic term. Admission dates and entrance exams are subject to change if there is any necessity.

Academic Year: 2023-2024

Academic Terms	Term Periods		Admission Periods	
	Starts	Ends	Opens	Closes
Term I	05 Feb 2024*	24 May 2024	01 Oct 2023	07 Jan 2024
Term II	03 Jun 2024	13 Sept 2024	04 Mar 2024	20 May 2024
Term III	07 Oct 2024	17 Jan 2025	01 Jul 2024	22 Sep 2024

Newly enrolled students start academic term I: 15 Jan 2024*

III. Study Session

Programs	Sessions	Times	Days
Undergraduate program	Morning	8:30 am – 11:30 am	Monday to Friday
	Afternoon	1:30 pm – 4:30 pm	
Graduate program	Morning	8:30 – 11:30 am	Friday & Saturday
	Afternoon	1:30 – 4:30 pm	

IV. Tuition Fees

Tuition fees vary depending on the chosen major of study. Students can pay tuition per term or once a year. If the payment is made per term, the fee varies. See the tuition fees below:

A) Bachelor's Degree

No.	Majors of Study	Tuition Fees/ Term			Tuition Fee/year	4-year Tuition Fee
		Term I	Term II	Term III		
1	Cyber Security	\$1,350	\$1,350	\$1,350	\$4,000	\$16,000
2	Data Science and Artificial Intelligence Engineering					
3	Robotics and Automation Engineering					
4	Software Engineering					
5	Architecture	\$1,184	\$1,184	\$1,184	\$3,500	\$14,000
6	Interior Design					
7	Educational Technology					
8	Media and Communication Technology					
9	Risk Management and Business Intelligence					
10	Innovation and Entrepreneurship					

Note: The tuition fee above is for Cambodian students. For international students, the tuition fee is \$ 4,000 – \$ 4,500 per year (based on the chosen major).

B) Master's Degree

No.	Majors of Study	Tuition Fees/ Term			Tuition Fee/year	2-year Tuition Fee
		Term I	Term II	Term III		
1	Environmental Technology	\$1,517	\$1,517	\$1,517	\$4,500	\$ 9,000
2	Technology Management					

3	Technology Governance					
4	Data Science					
5	Artificial Intelligence					
6	Cyber Security					
7	Industrial Technology					
8	Agriculture Technology					
9	Education Technology					
10	Financial Technology					
11	Science and Technology Studies					

Note: The tuition fee above is for Cambodian students. For international students, the tuition fee is \$ 5, 000 per year.

C) Doctoral Degree

No.	Majors of Study	Tuition Fees/ Term			Tuition Fee/year	3-year Tuition Fee
		Term I	Term II	Term III		
1	Environmental Technology					
2	Technology Management					
3	Technology Governance					
4	Data Science					
5	Artificial Intelligence					
6	Cyber Security	\$1,684	\$1,684	\$1,684	\$5,000	\$ 15,000
7	Industrial Technology					
8	Agriculture Technology					
9	Education Technology					
10	Financial Technology					
11	Science and Technology Studies					

Note: The tuition fee above is for Cambodian students. For international students, the tuition fee is \$ 6, 000 per year.

D) Other Fees

- The administration fee for the undergraduate program is \$200 per year, while the graduate program is \$250 per year (subject to annual revision).
- This fee covers year-round access to library services, lab services, start-up rooms, conferences, a student ID card, and supervision/mentorship from a faculty member.
- Students are required to have a personal computer for self-study and other activities.
- Students are responsible for other personal expenses such as study materials and other expenses.

In academic year 2023-2024, CamTech University has decided to offer **160 scholarships** for both undergraduate and graduate programs as follows:

A) Bachelor's Degree

No.	Scholarship Types	Scholarships	Duration	Requirements
A. STEM Genius Scholarship for bachelor's degree (135 slots)				
1	100%	35	4 years	<ul style="list-style-type: none"> • High school diploma • Exam & interview at CamTech
2	75%	45		
3	50%	55		

B. President's Athletic Scholarship for bachelor's degree (5 slots)				
1	100%	5	4 years	<ul style="list-style-type: none"> • High school diploma • Exam & interview at CamTech
C. Digital Technology Leadership Scholarship for master's degree (15 slots)				
1	100%	2	2 years	<ul style="list-style-type: none"> • Bachelor's Degree or equivalent certificate • Interview at CamTech
2	75%	3		
3	50%	10		
D. Digital Technology Leadership Scholarship for doctoral degree (5 slots)				
1	100%	1	3 years	<ul style="list-style-type: none"> • Master's Degree or equivalent certificate • Interview at CamTech
2	75%	2		
3	50%	2		

VI. Admission Criteria

To be admitted into the programs at CamTech, applicants must meet the following requirements:

A) Bachelor's Degree

- High school diploma or an equivalent certificate (original/ certified copy)
- A valid minimum of English Proficiency (IELTS = 5.5, TOEFL iBT = 68, TOEFL PBT = 512, TOEFL CBT = 84, TOEIC = 570, or CEFR = B2)
- One of these documents: birth certificate, ID card, or a valid passport
- Current photo of 4 x 6 (with a white background)
- Passing the CamTech entrance exam and interview

B) Master's Degree

- Bachelor's degree or an equivalent certificate (original/ certified copy)
- Transcript of a bachelor's degree (original/ certified copy)
- A valid minimum of English Proficiency (IELTS = 6.0, TOEFL iBT = 79, TOEFL PBT = 540, TOEFL CBT = 207, TOEIC = 620, or CEFR = C1)
- One of the following documents: birth certificate, ID card or valid passport
- A letter of recommendation from the workplace (for research stream)
- A letter of motivation and an updated CV
- An initial research proposal (for research stream)
- Current photo of 4 x 6 (with a white background)
- Passing the CamTech interview

C) Doctoral Degree

- An original/ certified copy of master's degree (preferably by research) in science, technology, political science, economics, development studies, education, social science, or a related field
- Transcript of a master's degree with a minimum GPA of 3.50 from an accredited educational institution in Cambodia or overseas (original/ certified copy)
- Have at least two years of working experience in a related field and be approved by CamTech's Admission Committee
- Have a strong research proposal that can be turned into a doctoral dissertation; the proposal should be practically relevant to the industry
- Have a proven track record of publications prior to applying
- Passing the CamTech interview, or being accepted by a CamTech doctoral supervisor who will be designated as the student's principal supervisor (Please see Appendix A for potential supervisors)

- Must have at least an industrial mentor with at least a master's degree regardless of the sector the applicant is working in
- Two letters of recommendation. At least one of them must come from the potential industrial mentor at the student's workplace or prospective employer agreeing to supervise the student's doctoral dissertation
- A valid minimum of English Proficiency (IELTS = 6.5, TOEFL iBT = 80, TOEFL PBT = 550, TOEFL CBT = 214, TOEIC = 690, or CEFR = C1)
- One of the following documents: birth certificate, ID card, or a valid passport
- A letter of motivation and an updated CV
- Current photo of 4 x 6 (with a white background)

*If an applicant does not have a valid English Proficiency certificate, he/she must take an English placement test at CamTech. However, the test may be waived if:

- The applicant is a native English speaker.
- The applicant has attended a school where all subjects were taught in English and the school is well-recognized.
- The applicant has a certificate of English proficiency from a recognized school, which CamTech can evaluate and accept.

VII. How to Apply

To apply to any program, applicants must follow the following steps:

1. Click online application form (undergraduate program) <https://camtech.edu.kh/apply>, or <https://ee-eu.kobotoolbox.org/x/FaebcANX> (graduate program).
2. Fill out the required fields accurately and completely.
3. Upload the required documents (school diploma, transcript, English proficiency certificate, and other supporting materials)
4. Pay the application fee through the QR code provided in the online application form.

VIII. Scholarship Eligibility

A) Bachelor's Degree

- A Cambodian citizen
- Having a high school diploma
- Not older than 25 years old on the date of application
- Passing CamTech entrance exam and interview
- Commitment to an academic program

B) Master's Degree

- A Cambodian citizen
- Having a bachelor's degree or equivalent certificate
- Not older than 35 years old on the date of application
- Passing CamTech Interview
- Commitment to an academic program

C) Doctoral Degree

- A Cambodian citizen
- Having a master's degree or equivalent certificate
- Not older than 45 years old on the date of application
- Passing CamTech interview
- Commitment to an academic program
